

Project 0

Due	Sep 6, 2019 by 11:59pm	Points	100	Submitting	a file upload	File Types	txt
------------	------------------------	---------------	-----	-------------------	---------------	-------------------	-----

This is a warm-up programming exercise to draw something in javascript + processing. In this project, you are asked to

- Create a **logo with animation** using any two letters in your name (can be upper or lower case)
- You may use ellipse(), rect(), quad(), triangle(), point(), etc. to draw the various shapes for the two letters in you name.

Please upload the code of your program that you created as a text file (*.txt) unto canvas when you are finished.

Grading: Grading of this exercise will be based on the following:

- Artistic and creative effort: 30%
- Documentation: 10%
- Completeness: 60%
- If your program has syntax errors - the grade will be 0. This will be true for all future projects.

You may discuss among yourselves for this exercise. However, everyone must write his/her own program. You are allowed to exchange ideas, but NO PROGRAM SEGMENTS, PROCEDURES, FUNCTIONS MAY BE EXCHANGED OR COPIED from any source.
